*The Class of 1970 has arrived on the Hanover Plain and, as usual, it has the highest potential of any class in Dartmouth's 200 year history. You have migrated here from every state in the union and many foreign countries. You have the usual high school records — leadership, scholarship, athletics — the whole bit; but that doesn't seem to matter anymore.*

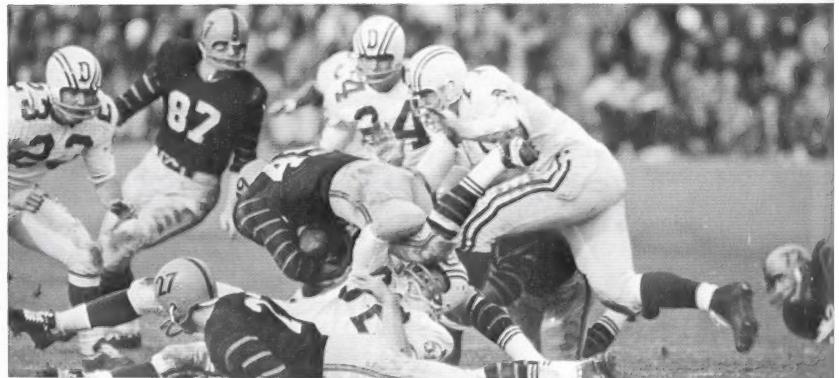

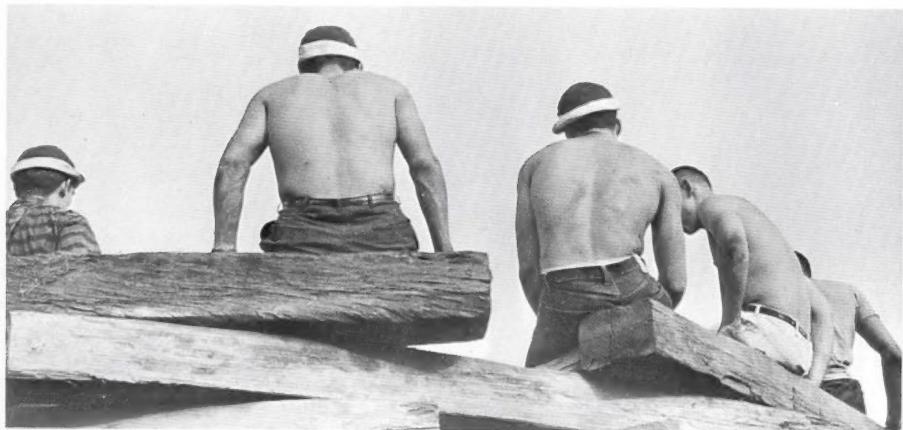

*You're walking down Main Street with Mom and Dad and suddenly find yourself loaded into a car and taken to a fraternity to work. It's not as bad as you'd been told and you're down right glad it happened when they tap that keg. You learn that the upperclassmen really aren't such bad guys, and listen eagerly as your IDC man tells you about certain traditions that Parkhurst would just as soon forget.*

*Things are really moving. You go to lectures that make you feel damn glad to be here and take tests that make you choose your mother over your father and your girl over your dog. You learn to hate beanie-grabbing Emmets on bicycles and wonder how you'll ever remember so many names. If fall term is half as hectic as Freshman Week, you'll never make it through.*

*All the upperclassmen keep talking about spirit, "gear", and bonfires. You try your best and suddenly you remember it's been 2½ weeks since you've had a date. Classes start but are interrupted long enough to beat Princeton and have an "all-time" weekend. You think that maybe you're beginning to understand the essence of Dartmouth. You learn about using "book" as a verb and hear fabled stories about Winter Term. But now you know what's happening.*

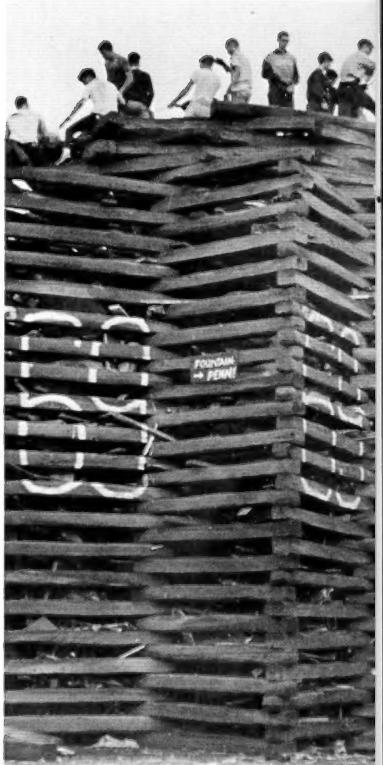

*You come to realize too that you are an individual, one member of the class of 1970. You realize that you're not regarded as mere FRESHMEN, but rather as DARTMOUTH MEN that are individually distinct parts of the college. You, and your class, have become an inseparable part of Dartmouth.*

## COLLEGES

## BENNINGTON COLLEGE

Bennington, Vermont

To say that Bennington is liberal could be the understatement of the year. Having no hampering peridal hours and with New York close at hand, only a most conservative person could have a bad time. No one can consider his Dartmouth experience complete until he leaves "civilized" Hanover for a road trip to the wilds of Bennington.

You can go anytime without forewarning the girls, but if you need to call, the switchboard is open until 11:00. The number is 442-5401.

**BRADFORD JUNIOR COLLEGE**  
**Bradford, Massachusetts**

Bradford is located in Bradford, Massachusetts which is very close to Haverhill. Bradford students are allowed "neither to keep nor drink beverages containing alcohol in Bradford or Haverhill." This may tend to dampen your enthusiasm for a Bradford excursion but don't let it. You'll find that a Bradford girl is usually a very successful date away from Haverhill — even in Hanover.

The switchboard closes at 10:30 weekdays and Sundays, 11:00 on Fridays, and 12:00 on Saturdays. Call 372-7161.

## COLBY JUNIOR COLLEGE

New London, New Hampshire

It is impossible to labor for four years at our secluded college and not have a Colby date. For those of you who are habitual punters, a Colby visit is fast and always successful — both then and in the future.

It has been said that Dartmouth graduates send their daughters to Colby so that they can hook a Dartmouth man. With this in mind we quote the '66 Greenbook: When you venture to Colby if you have a fraternity pin, hide it; if you have a class ring hide that too. Your watch should be relatively safe.

Call Colby Junior College at 526-2020 before 11:00 P.M. and ask for dorm extensions.

## GREEN MOUNTAIN JUNIOR COLLEGE

Poultney, Vermont

Long a favorite of road-tripping Big - Greeners, Green Mountain has someone to offer for every Dartmouth fun seeker. Although the housemothers make you identify yourself with 15 different sets of I.D.'s, an evening at the Manor beats anything that Hanover has to offer on Friday or Saturday night.

Call individual halls before 10:30 p.m.

## **MOUNT HOLYOKE COLLEGE**

**South Hadley, Massachusetts**

If you are looking for a blind date perhaps your best bet would be Holyoke. The girls are not only generally good looking and quite intelligent, but they love to leave South Hadley—even to come to Hanover.

It is relatively hard to have a bad time with a Holyoke date. However, if you become marooned in South Hadley you're pushing your luck. Even on a "BIG" weekend South Hadley makes Robinson Crusoe's island seem like a metropolis. A car is most helpful.

You can call 536-4000 anytime before 11:00 p.m.

**MARY HITCHCOCK  
SCHOOL OF NURSING  
Hanover, New Hampshire**

Contrary to the popular opinion that Hanover is completely devoid of datable females is the existence of Mary Hitchcock. After spending a hard day caring for sick patients at the hospital, the girls are more than happy to spend some time with a healthy Dartmouth man.

Connections can be made by calling 643-4000 and waiting for the needed extension, or, for the more adventurous, by walking down.

## RADCLIFFE COLLEGE

Cambridge, Massachusetts

Cliffies are by far the most intellectually minded of eastern women's college girls — but don't let that discourage you. It may also be hard to imagine having anything in common with Harvard, but if you are lucky enough to find one, a Cliffie will quickly dispell your fears. If you are shot down —there's always the Boston Symphony!

## **SIMMONS COLLEGE**

**Boston, Massachusetts**

Simmons girls are neither too smart (not smarter than you) nor overly dense. They are reported to be above average in looks. Couple this with Boston and you get many "all-time" weekends and just as many undone assignments. However, for those of you who enjoy looking into an area less formidable than Radcliffe or Wellesley, Simmons should be one of your first choices.

**SKIDMORE COLLEGE**  
**Saratoga Springs, New York**

Skidmore is paradise for a Dartmouth man or, for that matter, for any man. The number of beautiful girls is astonishing and they aren't overly fussy about whom they date. In short, it is impossible to get "shot down" at Skidmore. But even if you have an off night, there are enough bars to make the trip worth while even without the girls.

The lines are open until 11:30 and can be reached by phoning the college operator at 584-5400.

## **SMITH COLLEGE**

**Northampton, Massachusetts**

Smithies are fabled as being "good dates to tell your mother about." In fact this can be shortened to "Smithie's are good dates". Too conservative for some Dartmouth men, your Smith date will most likely keep you amused throughout the weekend. The large size of Smith guarantees a "girl to fit any guy". A car is a handy convenience; however, if you can't talk your way in downtown, hitch to Amherst.

Call 584-2700 and ask for dorm extensions.

**VASSAR COLLEGE**  
**Poughkeepsie, New York**

You have to either love long (and we mean long) road trips or really hate Hanover to migrate to Poughkeepsie. However, the girls are friendly and so is New York so the trip is definitely worth a try. A pre-departure phone call may be worth while so that you don't waste 204 miles of driving.

## **VERMONT COLLEGE** **Montpelier, Vermont**

Located in Montpelier, Vermont, this school offers a popular place for off-weekend road trips. The girls are friendly and are just as anxious to have a good time as you are. In fact, she is VERY anxious that you have a good time so as to save her from the "boys" of the Norwich Military Academy. Go anytime, but, to be safe, call:

Bishop Hatch .....	223-9097
Dewey .....	223-2461
Noble .....	223-9083
North .....	223-9069
South .....	223-9033
West .....	223-9045

## WELLESLEY COLLEGE

Wellesley, Massachusetts

Wellesley is something else. The campus is striking. The town is dry. Your date will usually be good-looking, intelligent, and all kinds of fun. However, make your plans in advance — way in advance — to avoid a shoot down. Even then you aren't safe because they sometimes seem to like themselves more than you. Nevertheless, the Wellesley girl must be said to have the best combination of looks, brains, and "adventuresome spirit" of the Seven Sisters.

Bates .....	235-9735

## **WHEATON COLLEGE**

**Norton, Massachusetts**

Wheaton is located a long 188 miles away. Boston is within driving distance of Norton and thus so is a good time. The girls are definitely passable and will want to get as far away from Norton as you obviously did from Hanover. However, a car is a necessity because Norton without a car, anytime, is as desolate as Hanover in mid-winter.

## RESPONSIBILITY . . .

. . . the most important lesson family and college can teach. Whether it be business or a profession, responsibility is the criterion by which successful men are judged. Financial responsibility is one important aspect of your college life. Learn this important responsibility now and you have learned it for the rest of your life. Let us at the Dartmouth National Bank help you learn the lessons of financial responsibility.
